**Common Cold**

and common carelessness can make a combination strong enough to defy all the healing skill of the physician. Common carelessness takes the cold root and grow. Common carelessness says, between paroxysms of coughing, "It will be all right in a day or two," and the common end is confirmed lung trouble, perhaps consumption. The common-sense treatment of a common cold is a prompt dose of Ayer's Cherry Pectoral. It is the most efficient and reliable cure for colds and coughs, and is constantly prescribed by physicians.

**Dr. H. HAYES, M. D., SANAE, N. Y., says—**

"I have used Ayer's Cherry Pectoral in my practice since 1853, and have always found it reliable for the cure of colds, coughs, and all lung diseases."
